

# Comparing Creation Stories

1. Provide each child with a Bible and divide the group into pairs.
2. Explain to the children that there are two creation stories in the book of Genesis. The first one is in Chapter 1 and the second is in Chapter 2.
3. Ask the children to look up the two creation stories in their Bibles.
4. Have the children make two lists:
  - a list of similarities between the two stories
  - a list of differences between the two stories.
5. When everyone has finished, ask each pair to share their lists with the rest of the group.
