

Praying the Stations with Teens

1. Explain to the children that they are going to act out the Stations of the Cross.
Assign volunteers to play each of the parts. Remember that everyone can be involved in the crowd.
2. As you decide how to act out each Station, talk about what emotions each character is feeling and what thoughts might be running through each character's mind.
3. If possible, show the Stations of the Cross to the parish, another group of children, or the children's parents.

Consider video taping your presentation for homebound parishioners.
