

# Inviting a Guest

1. Find out the name of a music minister in your parish from your liturgist or pastor and invite this person to come and visit your group.
2. Ask this person to tell about their ministry.
3. Have the person explain how music helps their own prayer life as well as the prayer life of the parish community.
4. Ask the person to share which types of music they like best and why.
5. Encourage the children to ask any questions they may have.
