

Thanking God for One Another

Invite the children to open their books to page 6 and complete the blue and orange boxes.

Afterward, ask the children to bring their books and gather around the prayer area in your room. (See page 9 of the *Catechist Guide* about setting up a prayer area.)

Ask each child to share what he or she wrote in the blue box. After each child shares, lead the group in praying together, "We thank you, God, for _____ (the name of the child).

When all the children have finished sharing, pray the prayer in the green box together.
