

Honoring the Saints

1. Write the names on the saints mentioned in Chapter 9 on the chalkboard or a piece of poster board.
2. Ask the children if they would like to include any other saints on their list.
3. When the list is complete, lead the children in singing, "When the Saints Go Marching In."
4. Ask for volunteers who would research any of the saints on your list and then tell the rest of the class about that saint.
