

# Religious Art Inventory

1. Make arrangements to walk your class around the parish buildings.
2. Explain to the group that you will be going on an art tour of the parish.
3. On the tour, stop at each piece of artwork and discuss the following questions:
  - What does this piece of artwork show us?
  - What about the piece of artwork captures our attention?
  - What message is the artist trying to convey?
4. When you have completed the tour, invite the children to share which piece of art was their favorite and why.
