

Conducting an Interview

1. Find out the name of someone who visits the sick or homebound in your parish.
2. Contact the person and ask if they would be willing to talk with you. Here are some questions you can ask that person:
 - What do you do?
 - Explain how your ministry makes you feel.
 - How do you think your ministry makes those you visit feel?
 - What would you say to anyone thinking about getting involved in this kind of ministry?
3. Ask them any other questions you may have.

Be sure to follow up your interview with a card, thanking the person for spending time with you.
