

Inviting a Guest

1. Talk to your pastor or liturgist to find the name of someone who helps plan and design the liturgical environment at church.
2. Ask your guest to share with the children what they do in their ministry and what they enjoy about their ministry.
3. Ask the guest to also share why this ministry is important, both personally and for the parish.
4. Ask the guest to tell what their favorite liturgical season is and why.
5. Encourage the children to ask any questions they may have.
