

Inviting a Guest

1. If possible, invite someone who knows about all the liturgical ministries.
2. Ask the guest to talk to the children about the many diverse people who share in the liturgical ministries.
3. Encourage the guest to share how they feel about their particular ministry.
4. Ask the guest to also explain that all the people gathered participate in the liturgy.
5. Afterward, ask the children to identify the ministries in which they have an interest.

If possible, arrange to have your group serve as ministers of hospitality at mass. The children can greet people, take up the collection, bring up the gifts, and pass out church bulletins.
