

Inviting a Guest

1. Talk to a parish staff person to find out the name of a parishioner who has been on a pilgrimage.
2. Invite this person to talk to the children.
Ask the guest to tell about three things: Why they went on the trip; what the trip was like; and how their life has changed since the pilgrimage.
3. Encourage the guest to bring pictures or slides of the trip.
Be sure to allow time for the children to ask questions.
