

Reconciliation Role-plays

1. Explain to the children that they are going to role-play the Sacrament of Reconciliation.
2. Have the children open their books to the pages on the Sacrament of Reconciliation. *Point out how well the sacrament is explained on these pages.*
3. Divide the group into pairs. Give the pairs a few minutes to prepare their role-plays (one as priest, one as penitent). *Remind the children that they should make-up a sin, not confess a real sin.*
4. When everyone is ready, have the pairs share their role-plays. *Be sure to affirm all the children!*
