

# Making Murals

1. Before class write each of the following headings on a piece of mural paper.
  - We care for others.
  - We are kind and helpful.
  - We tell the truth.
2. Divide the children into three groups and give each group one of the sheets of mural paper with a heading.
3. Distribute mural paper and markers, crayons, or paint.
4. Invite the children to make a mural that shows how we can live each of the headings.
5. Afterward, encourage the children to share their murals with the rest of the group.
6. Post the murals in a public place in the parish near the murals from chapter 19. Above the murals, post the phrase *We love others*.
