

# Noah's Story

God said to Noah, "A great flood is coming. Make a big boat called an ark. Fill it with your family and two animals of every kind."

Noah listened to God. Rain flooded the land. Noah's ark floated on the water. Finally, the rain stopped. Dry land appeared.

Then God made a promise to Noah. God promised to care for all the creatures on earth.

God set a rainbow in the sky. It reminded people of God's promise to Noah.

—Based on *Genesis 6:9–22 and 9:1–17*.
