

Thanking God For One Another

Invite the children to open their books to page 7 and complete *A Quick Look at Me*.

Afterward, ask the children to bring their books and gather around the prayer area in your room. (See the *Catechist Guide* about setting up a prayer area.)

Ask each child to share what he or she wrote on their name tag. After each child shares, lead the group in praying together, “We thank you, God for _____ (the name of the child.)”

When all the children have finished sharing, pray the prayer on page 7 together.
