

Acting Out Vignettes

1. Divide the children into groups of two or three children each.
2. Assign a vignette to each small group. Each vignette will need to be assigned to more than one group.
3. Explain that the small groups must act out the vignette with an ending. Encourage the children to be creative in thinking of an ending for their vignette.
4. After all the groups have presented their vignettes, recall all the possible solutions the children saw others act out.
