

Singing the Responsorial Psalm

1. Talk to your liturgist or director of religious education to find the music for a responsorial psalm that the children may recognize.
2. Explain to the children that we pray the psalms when we sing the responsorial psalm at Mass.
3. If you are comfortable, lead the children in singing the psalm; or invite a guest to come and lead the children in singing the psalm.
4. After the children sing the psalm, invite them read the same psalm in their Bibles.
