

Discussing Reverence at Mass

1. Explain to the children that reverence is showing our love and respect for God and recognizing God's holiness.
2. Ask the children to brainstorm all the ways we show reverence during Mass.

Be sure to write their ideas on the chalkboard or a piece of poster board.

The children will probably know that being quiet, praying, kneeling, genuflecting, making the sign of the cross, and listening show our reverence.

Be sure to point out that singing and saying our responses also shows reverence.
