

Preparing and Presenting Reconciliation Skits

1. Divide the children into groups of two or three.
2. Explain that they are going to prepare and present a skit about reconciliation.
3. In their skit, they need to include the following:
 - Someone admitting that they have done something wrong,
 - The person asking for forgiveness, and promising to do better next time,
 - The person offering to do something to make good for their wrong,
 - And finally, the other person accepting the apology and offering forgiveness.

Allow time for every group to present their skits.
