

Making a Mural

1. Explain that the entire group is going to make a mural of Jesus preaching to the crowds on the side of the mountain. Then explain that, as they make the mural, the crowd will have all the members of the class in it.
2. Invite a few children to draw the mountainside and Jesus.
3. Ask every child to draw a self-portrait and cut it out.
4. When everyone has finished, place all the portraits on the mountainside.
5. Post the mural in a public place in the parish. Label the mural *The Sermon on the Mount*.
