

# Modern Day Prophet Reports

In this chapter of your Faith First book, you learned about some of the prophets of the Old Testament. God chose these people to speak in his name. Imagine that God chose people to speak in his name today. What do you think the messages would be? Would they speak about taking better care of God's creation? Would they speak about opening our eyes to the needs of the poor? What they speak about providing health care for all people who are sick?

1. Think of someone that you consider a modern day prophet. This could be a relative, a person you may have met, or someone well known like Mother Teresa.
2. What is the message that this person wants us to hear?
3. What has this person done or is doing to make a difference?
4. How does this person remind us of God's love for us?
5. How does this person remind us how to live as God's people?
