

Acting Out the Parable

1. Distribute Bibles to the children. Together read aloud Luke 18:9-14.
2. Talk about the differences between the Pharisee and the tax collector in their prayers.
3. Next divide the children into pairs. Invite each pair to prepare a skit based on the scripture story.
4. As the group watches the skits, have the children point out how each pair shows what it means to be humble.
