

A Special Visit

Materials needed: a zip-lock bag and the following words on the chalkboard or printed from the download: Zacchaeus, Jesus, house, share, kind, listen, teacher, care. You may wish to reprint this activity on heavier (but not too heavy) paper.

Directions:

Cut along the solid lines. Use these “letter blocks” to form the words found in the story of Zacchaeus. Encourage the children to keep all the pieces in the zip-lock bag for safekeeping.
