

Finding God

1. Prepare a piece of poster board by writing, "Finding God..." at the top.
2. Ask the children where they find God in their lives. In creation? In people? In quiet prayer? Write their responses on the chalkboard.
3. Next, have the children cut pictures from magazines that show where they find God.
4. When everyone has their pictures, have the children paste the pictures to the poster board to make a group collage.
